Mason Competitive Cyber Intro Meeting

What do we do?

- Organize Teams for
    - Capture the Flag competitions
    - Computer Network Defense competitions
    - Hackathons

Capture the Flag Competitions

- Usually online

- Jeopardy style
  - Questions worth varying amounts of points
  - Complete tasks to find the answer, called the "flag"
        - Web exploitation
        - Forensics
        - Cryptography
        - Reverse engineering

- Attack/Defense style
  - Option 1: server that everyone tries to control
  - Option 2: protect your own machine, capture other people's machines

Poll
